

SCITECH

12–16 JANUARY 2026

ORLANDO, FL

Ignite the future and explore the frontiers of aerospace as a Rising Star at the 2026 AIAA SciTech Forum. Learn about the latest advancements and research and also make connections with other students and professionals in the aerospace industry.

AIAA Rising Stars receive the following benefits:

- › Complimentary forum registration
- › Round-trip economy airfare
- › Hotel stay for the duration of the forum
- › Customized forum schedule
- › Small-group meetings with aerospace industry leaders
- › Complimentary AIAA University Student Membership for one year
