

The Aerospace Corporation El Segundo Campus Clearance Passing Instructions

IMPORTANT: The **name of event** will be hosted at The Aerospace Corporation Friday, September 12, 2025. All attendees **MUST** possess a TS/SCI clearance and be a US Citizen. The Aerospace Corporation **MUST** receive your clearance certification **NO LATER THAN Friday, August 29, 2025** for you to be able to attend the classified session.

Required information:

Visitor Information: Full Name (no nicknames or aliases), SSN, Date of Birth, Place of Birth
Clearance Level (e.g., Secret, TS), Accesses (e.g., SI/TK/etc.) Your Technical Point of Contact:

Lake Singh Lake.Singh@aero.org (Unclassified)

Date of Visit: **September 12, 2025**

Purpose of Visit: **Innovation Missile Def Summit**

Passing Visit Certifications:

All clearances should be passed by a recognized security person and by whichever format your security office prefers. **Aerospace El Segundo DOES NOT honor badge reciprocity for IC Government Blue Badge holders.** All other cleared visitors will need to send a visit request using the below information. Please allow 5 days for processing. Clearances can be passed by the following methods:

For A8 Conference access (SCI), visitor security POCs can submit VARs in DISS to **SMO Code 12782** (use the actual Tech POC and include name of meeting that individual(s) will be attending). If SI/TK tickets do not show in DISS or the customer does not use DISS, please have security reps submit visit requests in one of the following ways:

1. Visitor Request Module (formerly Gateway): (Location: Aerospace A5, A6, & A8-LA)
2. GWAN: Aero-security-west@nro.ic.gov
3. CWAN: Aero-security-west@aero.ctr.nro.ic.gov
4. (U) Fax: 310-563-7935

If visits are being submitted via DISS, please have security POCs set access level as: SCI. In the Visit Notes, please notate the conference name.

Medical Portable Electronic Devices (MPEDs):

For any MPED approvals, please email aiselsegundo.mailbox@aero.org (Please expect 24-48 hours for response).

Special Programs Security Point of Contact:

Special Programs Security The Aerospace Corporation A5 Group Line: 424-405-2255

For questions regarding visits, please send an email to A5persec@aero.org. A5 PerSec team will respond to these requests within 72 hours.
