

AIAA Publication Charges for Open Access

Publication charges are voluntary, and nonpayment has no influence on the review process or the time from acceptance to publication. Publication charge payments help defray production costs and keep journal subscription prices low.

The article processing fee for **Open Access immediately upon publication** in AIAA's electronic library, [Aerospace Research Central \(ARC\)](#) is **\$2,700**. Please note that AIAA members receive a 10% discount.

Payment details and instructions will be provided to authors through RightsLink following acceptance of the final article.
