Voting Rights Extension

Board policy updated in November states:

"All individual members paying the professional or premium dues rate, in effect at the time, whether they are eligible for a discount or not and regardless of whether the dues are paid by another party on the individual's behalf, such as an employer, corporate member, or other party, shall be eligible to vote in any election open to the general membership including constitutional amendments, the office of President-elect, and elected members of the Council of Directors regardless of the individual's membership grade commencing with the 2026-27 election cycle."

FY25 Eligible Votership Breakdown

Board-Directed Committee Term Limits

Board of Trustees and Council of Directors approved a bylaw change that imposed term limits on the chairs (two 3-year terms) and at-large members (six 1-year terms).

To ease transitions, some waivers were granted, upon request.

The affected committees are:

- Committee on Higher Education
- Honors and Awards Committee
- Publications Committee
- Ethics Committee
- Public Policy Committee
- Standards Steering Committees
