

AIAA Associate Fellows

AIAA CONSTITUTION **Article III, Section 3.2**

Associate Fellows shall be persons who have accomplished or been in charge of important engineering or scientific work, or who have done work of outstanding merit or have otherwise made outstanding contributions to the arts, sciences, or technology of aeronautics or astronautics.

AIAA BYLAWS **Article II, Section 2.5**

Nominees for Associate Fellow are to be Senior Members of the Institute in good standing and have twelve (12) years minimum of professional experience. A maximum of one Associate Fellow for every 150 voting members determines the number of Associate Fellows per year. The most qualified nominees shall be submitted to the Honors and Awards Committee for final approval. The Associate Fellows nomination and selection process shall be established by the Honors and Awards Committee, specified in the Committee's published policies and procedures.

Currently, there are 3,399 AIAA Associate Fellows. Below is the list of AIAA Associate Fellows, with active AIAA memberships, as of 1 October 2026.

Dr Gregg L Abate	Prof Ragini Acharya	Mr ADEMOLA ADEJOKUN
Dwight Abbott	Prof Sumanta Acharya	Mr Sam Adhikari
